

# Save on operational costs with **AquaPak**®

## **Improve Efficiency and Save Money**

AquaPak® and AquaValve® are a convenient alternative to water bottles that improves operational efficiency and saves you money.

## **Easy and Ready-to-Use**

Unlike other pouches and bottles, AquaPak® comes ready-to-use with minimal effort for your animal care team.

## **Larger Volume Reduces Labor**

450ml+ pouches provide extended water supply vs. sipper bottles, reducing number of cage lid changeouts.
